

Canada Delegation Attends the Ninth World Yee Convention

To carry on the tradition of kinship among Yee clansmen around the world and to honour the legacy of Lord Yee Zhongxiang (余忠襄公), a delegation from the Yee Fung Toy Society of Canada attended the Ninth World Yee Convention, held at the Gordon Wu Hall of the B P International Hotel in Hong Kong, from Friday, November 13 to Saturday, November 14, 2026.

The delegation was led by Chairman Bill Yee (余宏榮) and included the Chairman of the Yee Fung Toy Society of Vancouver (余耀祥); Jerome Yu (余國基), Chairman of the Board of the Yee Fung Toy Society of Edmonton; and Vice-Chairmen Eric Yu (余偉毅) and Stan Yee (余穗楹). Representing clansmen across Canada, we joined Yee families from around the world to celebrate our shared heritage and the warmth of kinship.

Through fellowship and exchange, the Canadian Yee delegation strengthened its bonds of friendship with clansmen from around the world.

The welcome banquet filled more than fifty tables. Over five hundred guests, including clan representatives from Yee associations worldwide, congratulatory delegations, family

members, community leaders, and members of the Hong Kong Yue Clansmen Association, gathered for an unforgettable evening of unprecedented scale.

Friday, November 13, 12:00–18:00 — Delegations and guests from every region registered at the lobby of the B P International Hotel and completed check-in, receiving convention gifts and personal items.

Friday, November 13, 18:00–21:30 — The Hong Kong Yue Clansmen Association hosted the opening welcome banquet in the Gordon Wu Hall of the B P International Hotel.

That evening, the Canadian delegation attended the opening ceremony and welcome banquet, where a group photo was taken. We are deeply grateful to the Hong Kong Yue Clansmen Association for hosting the Ninth World Yee Convention in Hong Kong.

We were honoured by the presence of Johnson Yee (余健倫), founding president of the World Yee Family Association, president of the Hong Kong Yue Clansmen Association, and chairman of the Hong Kong Five Tong Association; and Alan Yu (余仲元), president of the 9th World Yee Family Association and chairman of the Hong Kong Yue Clansmen Association, who officiated at the event. Also in attendance were vice-presidents from the United States, Canada, Thailand, Malaysia, Singapore, Macau, and Taiwan, as well as guests from Kaiping and Taishan and leaders of many friendly clan organizations.

During the banquet, students from Hong Kong Elegantia College delivered two wonderful musical performances featuring the viola, flute, violin, pipa, and guzheng. One piece, Festival Overture, was especially graceful and moving, showcasing the talent of the younger generation and reflecting our clan's commitment to passing on its culture and nurturing future generations. Guests then took turns singing karaoke on stage, creating a lively atmosphere that delighted hosts and guests alike.

Saturday, November 14, 8:30–16:00 — After breakfast, non delegate guests who had joined the tour enjoyed a Hong Kong sightseeing program arranged by the organizers through a travel agency. They sampled Hong Kong specialties for lunch and returned to the hotel to rest at 4:00 p.m.

Saturday, November 14, 9:00–11:30 — After breakfast at the hotel, the heads of delegations and association representatives from each generation of the Yee clan traveled to the Yee Memorial Hall of the Hong Kong Yue Clansmen Association to pay respects to our ancestors. Lunch followed, after which they returned to the Association for meetings.

Saturday, November 14, 14:00–16:00 — After lunch, delegates reconvened at the Yee Memorial Hall to discuss the clan's future development and to select the host country and date for the Tenth World Yee Convention.

Saturday, November 14, 18:00–21:30 — The closing banquet and flag-handover ceremony for the next host country were held in the Gordon Wu Hall of the B P International Hotel. The Tenth World Yee Convention will be held in Singapore in 2029. With the close of the banquet, the Ninth World Yee Convention concluded successfully.

During the closing event, Martin Yee (余柏寧) of Vancouver, current webmaster of the World Yee Web Committee, was honoured with a special award presented by Johnson Yee and Alan Yu.

Dear Johnson Yee (余健倫) and Alan Yu (余仲元), thank you for your kind invitation and for your warm and generous hospitality!

We look forward to seeing you all again at the Tenth World Yee Convention in Singapore in 2029!

Report by the Yee Fung Toy Society of Canada.
