

Singapore Yee Clan Association to Carry On the Mission

On the evening of Saturday, 14 November 2026, a delegation from the Singapore Yee Clan Association attended the Closing Ceremony and Flag Exchange Banquet Gala of the 9th World Yee Convention. Hosted by the Hong Kong Yue Clansmen Association, the banquet took place in the Gordon Wu Hall of the BP International Hotel. Yee clansmen from around the world gathered for a grand and dignified occasion that showcased the unity and warm fellowship of the Yee clan.

During the solemn flag handover ceremony, Singapore Yee Clan Association President Boon Kwee Ee (余文貴) received the World Yee Clan Association flag in person, on behalf of the association, from Alan Yu (余仲元), President of the 9th World Yee Convention.

The flag symbolizes generational continuity, clan unity, and a shared mission, and it carries the trust and expectations of Yee clansmen worldwide. Receiving it is both a great honour

and a weighty responsibility, marking the Singapore Yee Clan Association's formal commitment to hosting the next convention.

Looking ahead to 2029, the Singapore Yee Clan Association will host the 10th World Yee Convention and celebrate its own centenary. It will be a major gathering that brings Yee clansmen from around the world to the Lion City, and a double celebration as the association marks its 100th anniversary.

Let us join hands, build on the legacy of our predecessors, and strengthen our clan so that we can welcome this historic moment in 2029 together!
